Education

University of Hawaii at Manoa, Honolulu, HI

Expected Graduation: Fall 2021

Major: B.S. in Computer Science (3.1 GPA)

Work Experience

University of Hawaii

Summer 2021

Intern

- Develop a web application for Hawaiian Electric Industries (HEI) to track a user's carbon emissions in order to spark an interest in climate change.

Information Technology Services (ITS)

2020 - 2021

Helpdesk Consultant

- Assist users in resolving their issues with the University system (i.e. Laulima, STAR, etc.)

Uniqlo

2019

Sales Associate

- Assist customers alongside other associates to give outstanding customer service.

Hawaii Space Flight Laboratory

Summer 2019

Intern

- Assist software engineers in projects such as COSMOS using Javascript.

Extracurricular

Meteor Hackathon

2021

- Develop a web application that would assist with the growing problem of pet homelessness due to the Covid-19 pandemic

Hawaii Annual Code Challenge (HACC)

2019, 2021

- 2021: Develop a ChatBot that would assist with the workload for the Office of Hawaiian Affairs
- 2019: Develop an online database where users can easily access various community projects as well as increase the collaboration between communities.

FIRST Robotics

2016 - Present

- Mentor and help high school students to build industrial-sized robots that will be able to play a game against other schools on a regional and national scale.
